

EMSAAC
COMMITTEE ASSIGNMENTS

2007/2008

Bruce H. Lee
President

The following membership list is based upon the EMSAAC committee structure which establishes a separate committee for each of the eight components of EMS. The title of the eight EMS components have been modified slightly to ensure all potential EMS issues can be included. Also listed are external committees and organizations in which EMSAAC holds membership or with whom EMSAAC maintains a professional relationship.

Approved by the EMSAAC
Board of Directors
September 25, 2007
